Jerry & Donna

- April 9, 10, 11 - all are school days
- Get kids to testify-have SGA coordinate? Doug to discuss with Rebecca Fisher
- Plan restaurant night around it – in Rockville
- Sign up to testify beginning next week

Jerry

- Met with MCPD - now in District I Rockville. commissioners met with all them
- Our council – Berliner - restore 4 service hours to library
- Replace 2 bridges on Route 107. Will re-direct traffic out of Poolesville. Remove about 1800 cars per day out of town – significant impact to town economy. Commissioners are requesting to leave 1 lane open. Or change detour through town.
- Be careful in heavy snow. Our power comes from west - plants in WV (1st Energy/Potomac Edison)

Robbins

- MSA gets pushed for each day MCPS not in school due to weather
- Technology request to purchase ELMOs for each fifth grade classroom and 1 for each remaining grade. Can use Promethean Board projectors for ELMOs so want to wait and purchase remaining ELMOs once wireless and Promethean Boards are installed summer/fall. Dan Savino from PHS may have extra projectors PES could borrow.
